Darsh Akhaja

Data Analyst

darshakhaja09@gmail.com | +91 9875167421 | LinkedIn | GitHub | Ahmedabad, India

Profile Summary

Graduate BCA - Computer Science with a strong foundation in Data Analysis, SQL, and Machine Learning fundamentals. Proficient in Python, SQL, Power BI, and Excel for data cleaning, visualization, and statistical analysis. Google Data Analytics certified with hands-on project experience in building dashboards, automating data pipelines, and deriving actionable business insights. Passionate about translating raw data into data-driven decisions and eager to contribute as a Data Analyst/Data Engineer.

Skills & Certifications

- **Technical Skills:** Python, SQL, Excel, Power BI, Statistics
- **Soft Skills:** Communication, Adaptability, Problem Solving, Teamwork, Attention to detail.

Education

Saurashtra University, Rajkot

Bachelor of Computer Applications (BCA) in Computer Science | CGPA: 6.00/10 | June 2026

Projects

Retail Sales & Customer Insights Dashboard | Python, SQL, Power BI

- Worked on a retail dataset (10,000+ transactions) to explore sales trends, customer segments, and seasonal patterns Pré-processed text data and trained the model using binary cross-entropy loss and Adam optimizer.
- Created an interactive Power BI dashboard with key metrics (revenue, profit margin, YoY growth) using DAX and slicers

HR Employee Attrition Analysis | Python, SQL, Excel

- Analyzed the IBM HR Analytics dataset using Python (Pandas, Matplotlib, Seaborn) to understand factors behind employee attrition
- Used SQL queries to segment employee data by department, tenure, and salary for deeper analysis

Activities & Achievements

- Self-motivated learner with a strong interest in continuously upskilling through structured, step-by-step learning — completed multiple certifications (Google Data Analytics independently through online platforms.
- Proactively explored real-world datasets and tools (Python, SQL, Power BI) beyond academic curriculum to strengthen practical, hands-on skills
- Consistently adapts to new technologies and concepts quickly, applying a structured learning approach to master new tools and frameworks

Languages

- English
- Hindi (Fluent)
- Gujarati (Native)
